

## Circular to Shareholders & Clerks: Lift repairs in Selborne Chambers 10 - 17 May

**May 1 2019**

As a consequence of wear and tear over the years from general operation and impact from trolleys, the doors to one of the lifts in Selborne Chambers is in need of urgent repairs. The internal doors will need to be removed from the lift car, taken away for repairs and then reinstalled.

The repairs are scheduled to commence on Friday 10 May 2019 and are anticipated to be completed by no later than the following Friday, 17 May 2019 however there is a possibility that the work may be completed sooner. During that time the lift will be completely out of service and the response times for the lifts in Selborne Chambers will be slower than usual.

During peak periods, Members are advised to use the Wentworth lifts for a more rapid lift service.

CCL appreciates that this may cause some inconvenience to Members, however the repairs are necessary in order to avoid more serious damage occurring which will lead to more significant repairs and service interruptions.
