## NSW Bar Dispute Resolution Centre - Virtual Court Rooms

Dear Members,

This is a reminder that CCL is able to provide a virtual courtroom style arrangement by using the commercial grade video conferencing ("VC") services in the Hearing Rooms on the 1st Floor Selborne.

As we have previously advised, Shareholders are welcome to use the rooms free of charge for multi-party VC on an ad hoc basis subject to availability. If Shareholders would like to book the rooms over multiple days then we are offering them a 10% discount on room hire rates. Further information relating to the rooms and rates can be found at this link: <https://nswbardrc.com.au/>

For those who may want to use the rooms to access VC court proceedings over multiple days CCL has onsite technical support available and this support is being offered at no extra charge.

CCL Network staff have developed the attached guide to assist members in understanding what VC platforms are compatible for use in the Hearing Rooms. – see link:  
<https://www.ccl.com.au/files/documents/Interoperability.pdf>

At the moment we are only able to provide a single screen in each room but we have additional equipment on order and we hope to be in a position to provide multiscreen VC equipment within the next three weeks.

Should you require any further information please do not hesitate to contact me.

Kind regards,  
**Debbie George**  
CEO
