15 October 2021

**Dear:** Shareholders, Clerks & Tenants

I refer to previous Circulars where I have advised that CCL has been developing its COVID-19 Recovery Plan, the first version of that Plan is now attached.

The plan includes details of:

- the return dates for CCL services (please note that the showers on the roof will not re-open until after the lift upgrade project has completed);
- information relating to how COVID-19 outbreaks in the buildings will be responded to in the future; and
- links to general resources related to the preparation of the plan and managing COVID-19.

Please note that due to the frequency in which the Public Health Orders change, it is highly likely that the COVID-19 Recovery Plan will be updated from time-to-time, CCL will endeavour to keep the plan current but it is important to note that some of the key dates noted in the plan may also change affecting the return of services. In future the COVID-19 Recovery Plan, including future updates, can be found on our website at this link:

[https://www.ccl.com.au/files/documents/COVID-19\\_Recovery\\_Plan.pdf](https://www.ccl.com.au/files/documents/COVID-19_Recovery_Plan.pdf)

Also, another important note is that the NSW Government have announced that it is now possible to link vaccination status to your Service NSW account to show your vaccination status upon QR digital check-in. Please see this link for further information: <https://www.service.nsw.gov.au/covid-19-digital-certificate#adding-your-covid-19-digital-certificate-to-the-service-nsw-app>

Please let me know if you require any further information regarding the above.

Kind Regards,  
**Debbie George**  
CEO
