

Circular to Shareholders & Clerks: Footpath upgrades in Phillip Street

29th October 2018

The City of Sydney will be upgrading the footpath in Phillip Street over coming months. The upgrade will be similar to that carried out across the road, in front of 165 Phillip Street, and attached is the notice from the Council about the upgrade.

The Council have agreed to defer the portion of the footpath immediately in front of Wentworth & Selborne Chambers until the façade project is complete, however the rest of Phillip Street will be upgraded in the meantime.

The work is expected to be noisy and disruptive, and the Council have scheduled the work during business hours. Additionally, access along the sections of the footpath may be interrupted from time to time. Further information about the upgrade of the footpath immediately in front of Wentworth & Selborne Chambers will be obtained and circulated to Members before that portion of the work commences next year.
