

Circular to Shareholders & Clerks: Important reminder: Facade work about to commence

26th September 2018

Work on the façade is due to commence tomorrow evening Thursday, 27 September. A hoarding will be erected over the footpath in front of Wentworth & Selborne Chambers and scaffolding will be constructed on top of the hoarding across the entire façade of Wentworth & Selborne Chambers during the month of October.

It will be necessary to drill holes into the facade in order to securely attach the scaffold to the building structure. The drilling will be noisy and disruptive and the times that this noisy work will be permitted are:

- Monday to Friday: 7am – 9am & 5pm – 7pm.
- Saturday: 7am – 5pm.

The construction of the scaffold will continue throughout the entire day, and trades will be visible immediately outside Chambers windows during this time. Other preparatory work will be carried out on the façade in anticipation of the work commencing on a full time basis on Monday 17 December 2018, at which time the builders will be working both inside and outside of the building.

It is necessary to build the scaffold now, to ensure that all preparatory work is complete and the building is ready for full time construction to commence on Monday 17 December 2018.

If you have any questions, please contact Lee Albert at lalbert@ccl.com.au

Kind regards,

Debbie George
General Manager
