Commencing: Today 2 September 2020

Ending: 2 November 2020 (approximately)

Building works: Law Courts Limited Building

Work is underway on the facades of the Law Courts Building and is expected to continue for approximately two months. CCL understands that the work is necessary remedial work to the facade, and the work is disruptive as it involves drilling the facade from time to time, using impact tools.

Unfortunately CCL were not provided with any advance notice of this work.

CCL Maintenance Staff are now in contact with the Law Courts Building and, in the instance that the work causes disruption or inconvenience in Wentworth & Selborne Chambers or Lockhart Chambers, CCL Maintenance Staff may be able to request for the work to stop, or for the work to continue in a location away from CCL's buildings.

If the work next door causes a problem, please use the Members Portal to log a work order or contact CCL on 9231 3644.

Kind Regards,
Debbie George
CEO
