

# CHANGE OF EMAIL SPAM/MALWARE FILTER

COUNSEL'S  
CHAMBERS  
LIMITED

21 April 2022

Dear: CCL Email User

## Email Spam/Malware Filtering

Over the coming weeks the current system for email filtering (Spam and Malware) will be switched over to Microsoft Office 365 Exchange Online Protection.

Members will no longer receive weekly Spam Quarantine notification emails, nor will suspect emails be tagged in the subject. Instead suspected spam will be moved to your "Junk Email" folder, and malware (viruses etc.) is diverted to Office 365 quarantine. The Office 365 quarantine is available at <https://security.microsoft.com/quarantine>. Members should check their Junk Email folder and quarantine regularly for any misclassified email.

For technical details of Exchange Online Protection, please see <https://docs.microsoft.com/en-us/microsoft-365/security/office-365-security/exchange-online-protection-overview?view=o365-worldwide>

If you have any queries or concerns, please contact [support@ccl.com.au](mailto:support@ccl.com.au)

Kind Regards,  
**Michael Wright**  
CIO
