**Dear:** Shareholders, Tenants & Clerks

This circular includes the following topics:

- *Lift car lighting upgrades*

## Lift car lighting upgrades

The lift service contractor will be upgrading the lighting in the lift cars in Wentworth & Selborne Chambers and Lockhart Chambers. These upgrades are required to comply with the lift code.

The work will take place over the weekends of 20 & 21 January and 3 & 4 February. During that time one lift per building will be taken out of service.

The upgrade will include the installation of down lights to the ceiling of each lift car. Other options have been examined however the installation of down lights is the only option that will achieve the required lighting levels.

If you require further information, please contact the [Maintenance Team](#).

Kind Regards,  
**Debbie George**  
CEO
