22 November 2023

Dear: Lockhart Tenants & Clerks

Commencing: 6:00am, Saturday 25 November 2023

Ending: 6:00pm, Saturday 25 November 2023

I refer to previous circulars in relation to the Mobile Phone Tower installation on the roof of Lockhart Chambers.

Contractors have been engaged by the agent representing Optus & TPG to install power to the permanent site on the roof of Lockhart Chambers. It will be necessary to prepare for the power cable installation by coring holes in the electrical riser which is located immediately adjacent the lifts in Lockhart Chambers.

This will be carried out on Saturday. Please note that the work will be noisy and disruptive and may not be completed entirely in one day.

Further work will be required including the installation of the cable and a power shutdown to connect the new service, both to be completed at a later date; CCL will advise as soon the schedule is confirmed. All work will be carried out after hours to minimise disruption.

For further information, please contact [Lee Albert](#).

Kind Regards,
Debbie George
CEO
