

## Counsel's Chambers Limited Network Device Connection – Windows 10

1. Open a browser (Firefox/Chrome/IE) and browse to any website or [www.ccl.com.au](http://www.ccl.com.au). You will be redirected to the login screen **CCL Device Registration Portal**.
2. Login with your CCL Network username and password. If you do not know your password contact CCL support on 9221 6235 or email [support@ccl.com.au](mailto:support@ccl.com.au)

The screenshot shows the 'Sign On' page of the CCL Network Device Registration Portal. The page has a dark blue header with the COUNSEL'S CHAMBERS LIMITED logo and the text 'Device Registration'. Below the header, the page is titled 'Sign On' and includes a welcome message: 'Welcome to the CCL Network Device Registration Portal. Sign on with your Counsel's Chambers username and password.' There are two input fields: 'Username:' with a text box containing 'User' and 'Password:' with a text box containing seven dots. Below these fields is a scrollable area containing the 'COUNSEL'S CHAMBERS LIMITED CCL's Acceptable Use Policy for the use of CCL Network'. The policy text includes sections for 'A. APPLICATION' and three numbered points. At the bottom of the scrollable area, there is a checkbox labeled 'I agree to the terms and conditions' which is checked. Below the scrollable area is a blue 'Sign On' button.

**COUNSEL'S CHAMBERS LIMITED**  
CCL's Acceptable Use Policy  
Policy for the use of CCL Network

**A. APPLICATION**

1. This policy sets out terms and conditions on which Users may access and use CCL's Network. Please read this document carefully before accessing CCL's Network.

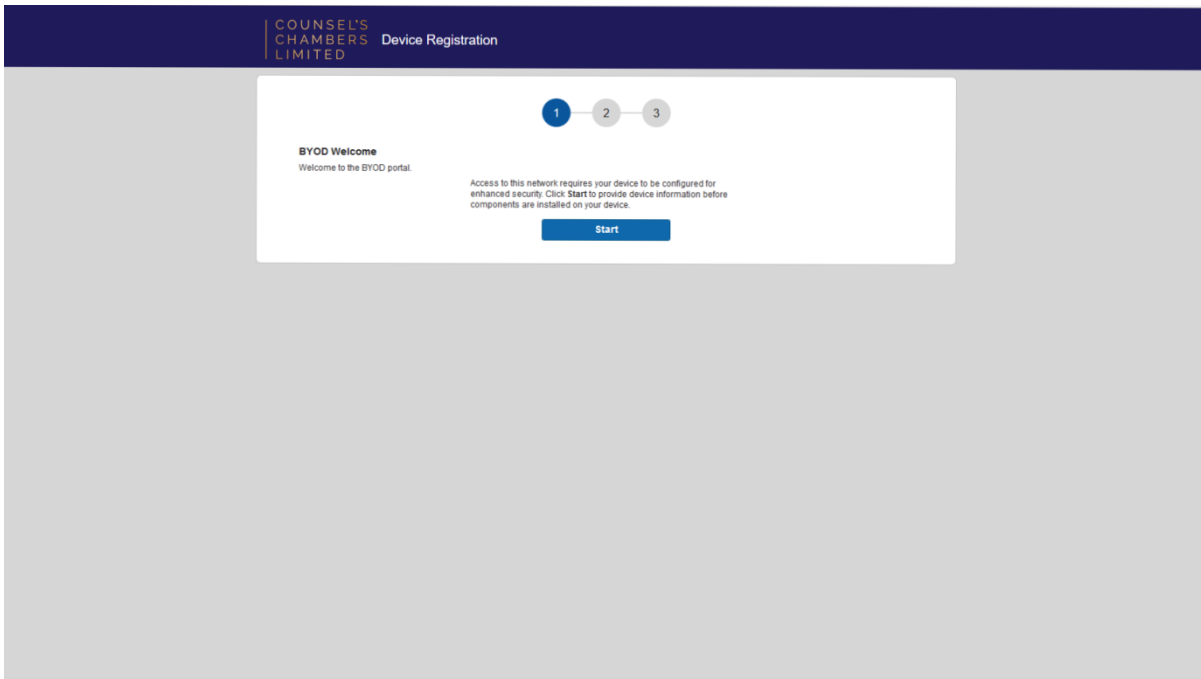

2. This policy applies to all Users of the CCL Network. Each User acknowledges and agrees that the terms and conditions of this policy are fair and reasonable and further acknowledges and agrees that access and use of the CCL Network has been and is being provided by CCL at no additional cost to the User.

3. By using CCL's Network, each User agrees to comply with the terms of this policy and further acknowledge and

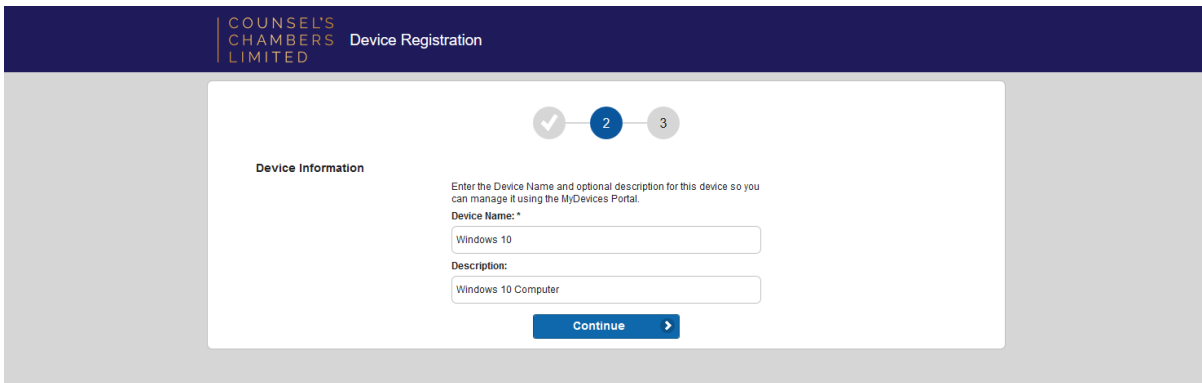

I agree to the terms and conditions

**Sign On**

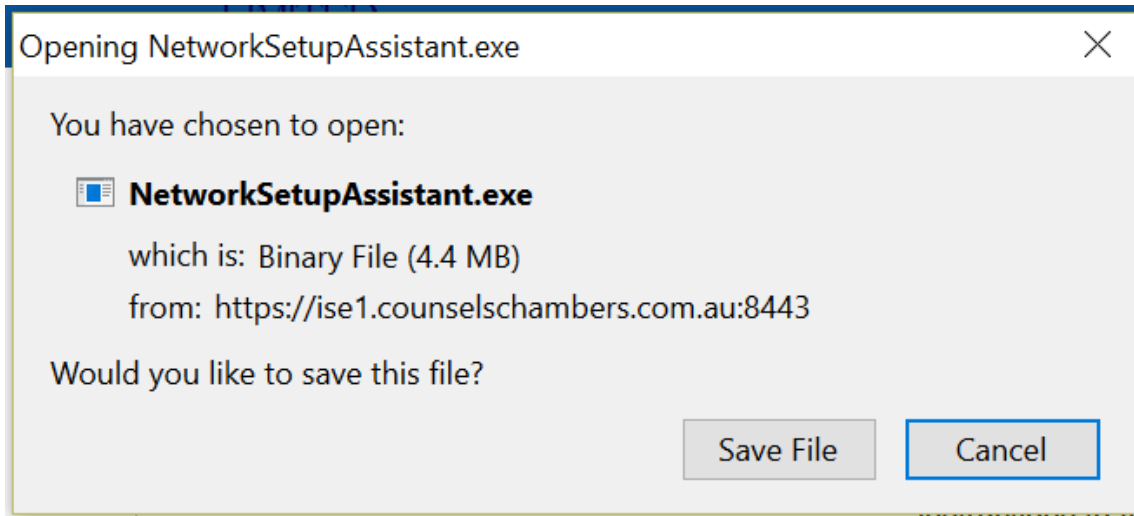

### 3. Press the **Start** button.

### 4. Enter a name and description for your computer.

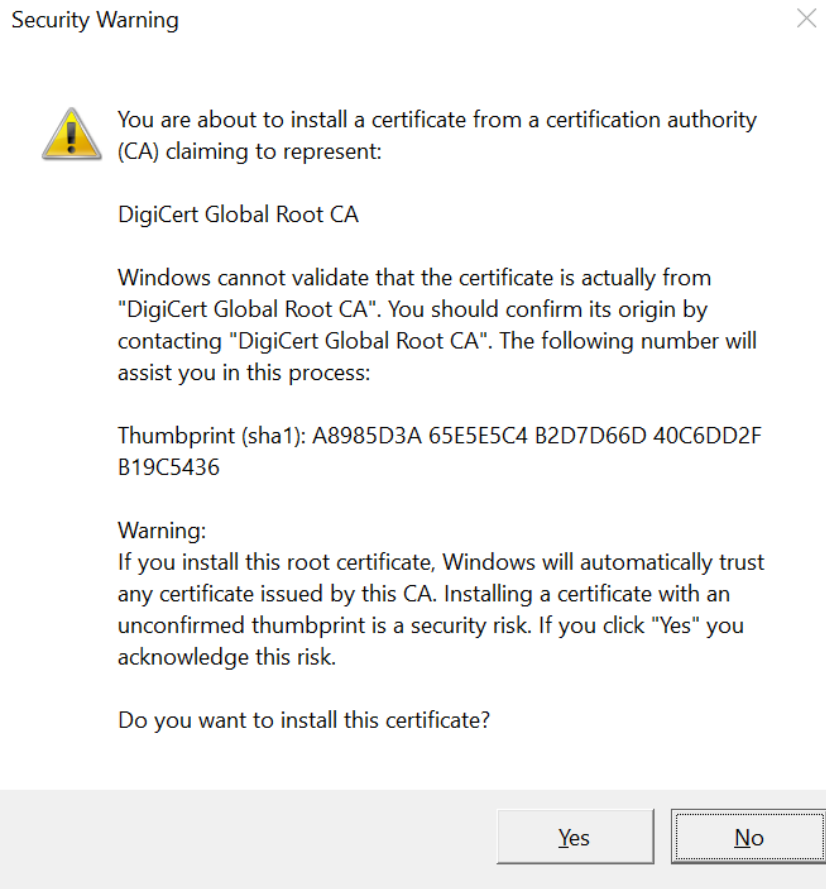

5. You will be prompted to download and run the **NetworkSetupAssistant.exe** tool. Save and run, or press “run” if given that option.

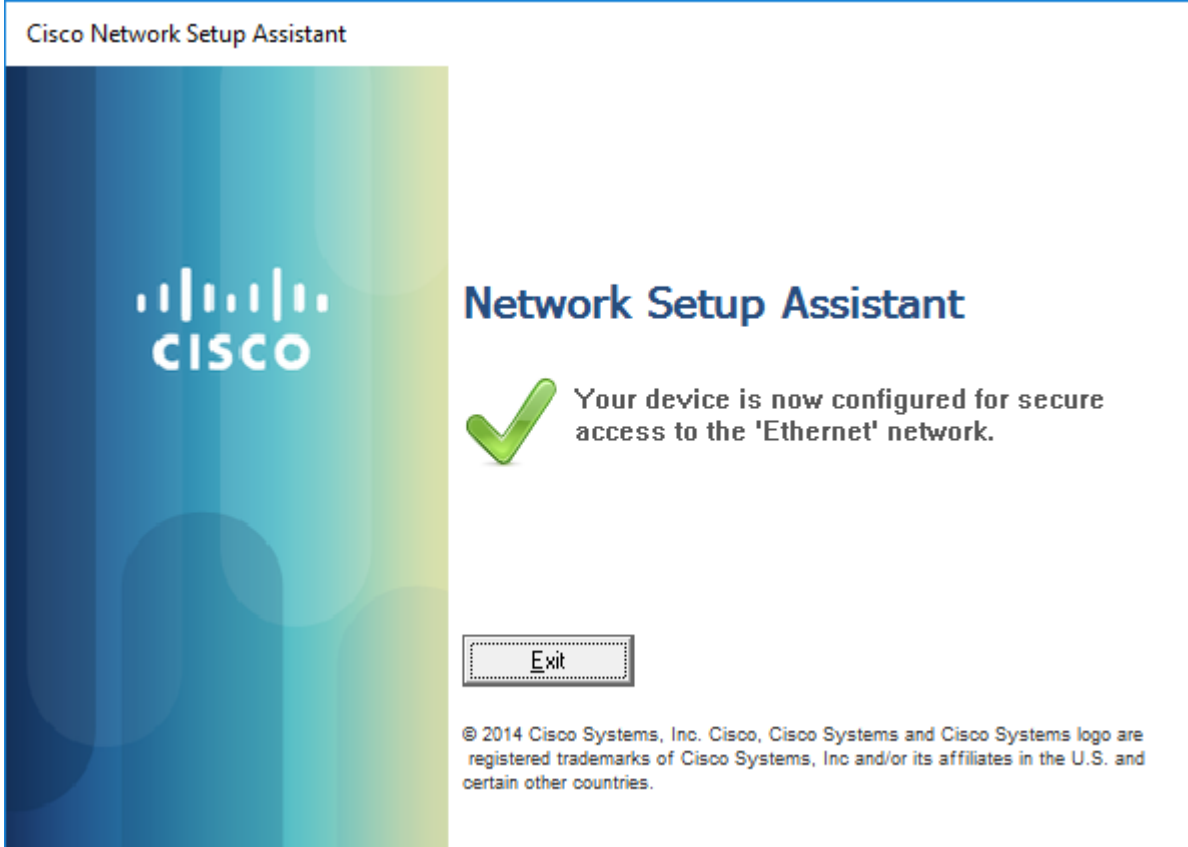

6. The **Cisco Network Setup Assistant** program will open. You may be warned that Smart Screen is not able to run, this warning can be ignored. Press **Start**.

7. You will be prompted to install the **DigiCert Global Root CA** security certificate. For added security, check that the Thumbprint (SHA1) matches the one in the image below. Press **Yes**.

8. Your device is now able to connect to the network.

9. The connection is complete, and your computer will automatically connect to network.
