

Device Onboarding – macOS (Wired)

1. Open Safari and type **login.ccl.com.au** in the address bar.

You will be redirected to the onboarding screen **Device Registration**. (This may happen automatically on some devices).

Login with your **CCL Network username** and **password**, and click **Sign On**.

i If you do not know your password, you can reset it using the CCL password portal <https://password.ccl.com.au>, or you can contact CCL support by telephone 9221 6235 or email support@ccl.com.au.

COUNSEL'S CHAMBERS LIMITED
CCL's Acceptable Use Policy
Policy for the use of CCL Network

A. APPLICATION

1. This policy sets out terms and conditions on which Users may access and use CCL's Network. Please read this document carefully before accessing CCL's Network.

2. This policy applies to all Users of the CCL Network. Each User acknowledges and agrees that the terms and conditions of this policy are fair and reasonable and further acknowledges and agrees that access and use of the CCL Network has been and is being provided by CCL at no additional cost to the User.

3. By using CCL's Network, each User agrees to comply with the terms of this policy and further acknowledges and agrees that a failure to comply with this policy may lead to suspension or termination of the User's access to and use of CCL's Network.

I agree to the terms and conditions

Sign On

2. Click the **Start** button, then enter a **Device Name**, and click **Continue**.

The description field is optional.

BYOD Welcome
Welcome to the BYOD portal

Access to this network requires your device to be configured for enhanced security. Click Start to provide device information before components are installed on your device.

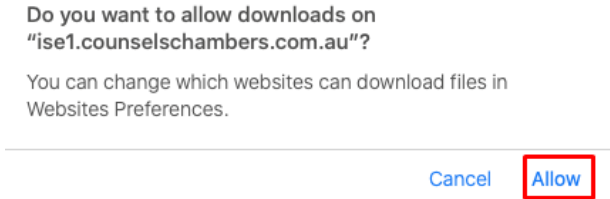

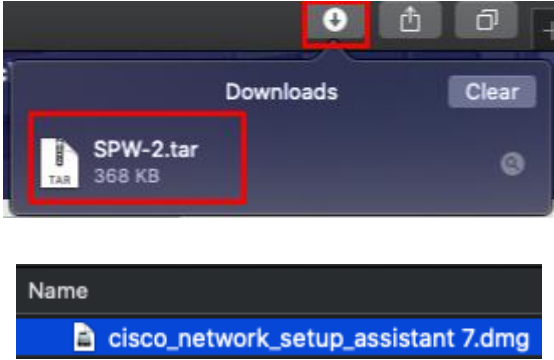

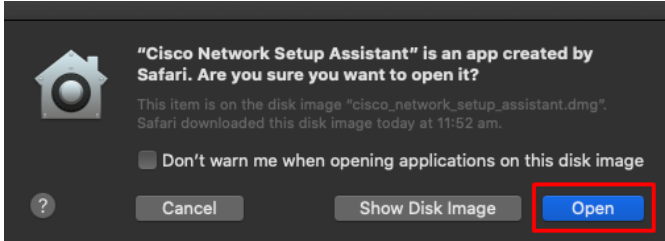

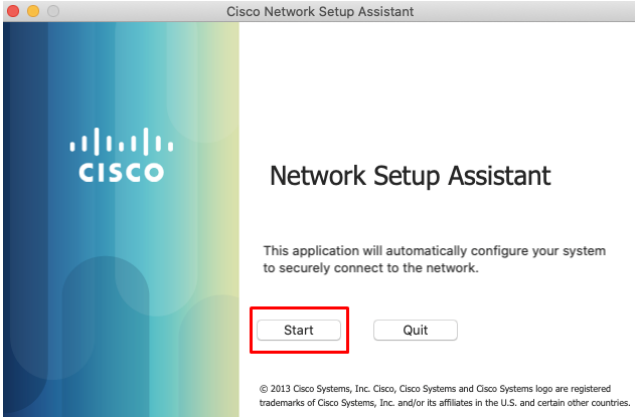

Start

Enter the Device Name and optional description for this device so you can manage it using the MyDevices Portal.
